

Classdojo

(These are the points that you need to cover with your students the first days of school.)

- We do not have a point and level system. We have a level system.
- There are three levels.
- The Level system is based on "The Big Four".
 1. Walk Outs = 1 point
 2. Cell Phones = 1 point
 3. Physical Aggression = 5 points
 4. Property Destruction = 5 points
- The levels start over every week. (Thursday to Friday)
- Level 1 gets ALL of Fun Friday
- Level 2 gets all of Fun Friday with the exception of food.
- Level 3 does not participate in Fun Friday. These students will stay with their teacher and review their Classdojo for the week and see how they can improve for the following week.
- The levels are based on percentages of "needs work" points accumulated during the week and tracked by Classdojo. The 1/3 students with the lowest points make level 1.
- The middle 1/3 students make level 2.
- The 1/3 students with the highest amount of points make level 3 and do not earn Fun Friday for that week.
- On Friday morning the student and levels will be posted in the glass case in the foyer.
